His preachers had been active and successful; were building churches and parsonages. They intend to hold the ground for God and Methodism. Much advancement has been made spiritually.

The characters of the following Effective Elders were passed, each reporting his collections:—W. E. Loomis, W. E. Lovett, S. E. Jones, A. Mick, G. Rodgers, C. Warman, C. W. Upton, John Conwell, R. Weese.

Dr. Bugbee.—Dr. L. H. Bugbee, President of Allegheny College was introduced to the Conference and read the report of the trustees of his college, which was referred to the Committee on Education.

Chartered Fund.—The Bishop announced that the Conference was authorized to draw upon the Chartered Fund for thirty dollars, and, on motion of J. Wesley Webb, the draft was ordered.

Parkersburg District.—The character of J. L. Clark, P. E. of the Parkersburg District, was passed, and he proceeded to present his report. Seven new churches had been erected and one purchased. Two parsonages and more churches are now being constructed. Extensive revivals have been enjoyed in many of the charges. The spiritual condition of the district is good.

Dr. George.—The Bishop announced the transfer of Dr. A. C. George from our Conference to the Rock River Conference.

The characters of the following Effective Elders were passed, each stating the amount of his collections:—L. D. King, S. B. D. Prickitt, J. F. Chenoweth, W. H. Young, E. C. Woodruff, W. W. Kelley, G. Crossfield, H. H. Westwood.

Charleston District.—After the passage of the character of C. E. Manchester, P. E. of the Charleston District, he presented

his report, stating that he had this year had a grand time, and enjoyed many excellent meetings. There had been a large number of conversions, possibly exceeding 500, and also many accessions to the church. Old church records had been overhauled and corrected. One church had been built this year and four now going up. One good parsonage is in course of construction. Finances in a bad condition, but an improvement over last year.

The characters of the following Effective Elders were passed, each reporting his collections:—G. C. Schaeffer, T. Cotton, T. R. Faulkner, S. Cummings, J. W. Griffiths, H. Scott, T. P. Ryan, M. McNeel, J. T. Davis, W. A. Chenoweth.

Guyandotte District—The character of J. Wesley Webb, P. E. of the Guyandotte District, was passed and he forthwith gave a sparkling report of his district. They had built and purchased five churches and were now erecting four more, having repaired and renovated many others. Finances not what they should be; must have large missionary appropriations or abandon the work. Covetousness prevailed to a large extent among his people; had refused to eat with one man because of his penuriousness, which was idolatry. His preachers were living on a mere pittance; must have a change of preachers with the other end of the Conference. His preachers were the equals, in preaching ability, of any in the Conference.

The characters of the following Effective Elders were passed, each reporting his collections:—E. H. Orwen, B. Darlington, R. Brooks, G. H. Williams, A. D. Perry, B. Hagar, J. W. Bedford, W. Wristen.

The Bishop announced the transfer of S. E. Steele from our Conference to the Kentucky Conference.

New River District—The character of F. H. J. King, P. E. of the New River District was passed, and he proceeded to represent his work. His is a new District, formed from the Charleston and Guyandotte Districts, and embraces a vast extent of territory, largely pioneer work. It is in the form of a crescent, being pierced through the center by the Guyandotte District. Salaries were small—scarcely worthy of the title of salary—some being less than

\$30 for a full year's work. Need ordained men—men of experience for this territory. One Church has been built, and two more being erected. Benevolent collections very small. Have ridden through the mountains, following sheep paths, forded dangerous streams, and preached 250 sermons. Had many blessed quarterly meetings, and deep and glorious revivals.

The characters of the following Effective Elders were passed, each reporting his collections:—J. C. Sidebottom, S. C. Loomis, A. T. Morriston, J. T. Carroll, C. R. Shackelford.

Oakland District.—The character of B. Ison, P. E. of the Oakland District, was passed and he reported as follows: This is a new district, noted for pure air and fine scenery. Enjoyed general peace and prosperity. One church erected and several others in process of erection. The collections have been increased. The preachers have labored faithfully and successfully.

The characters of the following effective elders were passed, each reporting his collections: H. C. Sanford, J. S. Laughlin, N. L. Baumgardner, J. G. Weaver, F. G. W. Ford, C. J. Trippett, J. C. Rexroad, J. E. Wasson, D. Cool.

Wheeling District.—The character of W. C. Wilson, P. E. of the Wheeling District, was passed, and he reported his work as follows: Had taken special pains to have the Boards of Trustees filled, and Church debts of long standing settled. Every such old debt, save one, has been paid or provided for. Two Churches and one parsonage have been built, and the Fourth Street Church is building a superb parsonage, to cost about \$8,000. An advance has been made in benevolent collections and salaries of preachers. Have had many precious meetings and sweeping revivals. About 600 conversions are reported, and a large proportion of the probationers have been advanced to full membership. The spiritual condition of the District is encouraging.

The characters of the following effective elders were passed, each reporting his collections: S. Steele, G. C. Wilding, G. E. Hite, T. B. Hughes, D. H. K. Dix, J. J. Dolliver, W. G. Riheldaffer, J. A. Fullerton, J. M. Warden, G. W. Parriott, W. D. Carraco, F. W. Wood, W. E. Rippey, A. Hail, E. S. Wilson.

F. A. Trippett.—F. A. Trippett was granted a supernumerary relation.

J. P. Thatcher.—J. P. Thatcher having left his work during the year, his case was referred to the following committee of inquiry: T. H. Trainer, L. H. Jordan, N. L. Baumgardner, W. W. Kelley and E. H. Orwen.

Book Concern.—The statement of the Book Concern was presented and referred to the committee on Books and Periodicals.

Interesting addresses were delivered by the Rev. L. H. Bugbee, D.D., President of Allegheny College, and Rev. C. H. Payne, D.D. LL.D., President of Ohio Wesleyan University. Both were listened to with the closest attention, and good seed was sown for this great cause.

SATURDAY MORNING, 6 o'clock.

The Bishop announced a Conference Prayer Meeting for this hour, and though it seemed a most unseasonable time, the church was well filled with an attentive, devotional and expectant audience. The Bishop's great faith and magnetic power, joined heaven and earth together, and the Holy Ghost fell on all present. The service will never be forgotten.

Reports of Committees.

ON EDUCATION.

Your Committee on Education would respectfully submit the following:—

Believing that the time has come in the history of the West Virginia Conference for our people to awake to the necessity of a more thorough education of their children; and also that the standard of literary attainments should be raised among the Ministry; therefore, we urge the claims of our various institutions of learning upon our Ministers and members.

Allegheny College.

The annual report shows 270 students, all current expenses paid and the institution practically out of debt.

"Huling's Hall, costing \$20,000, accommodating 80 young ladies, will furnish a comfortable home and make the college more attractive to the increasing number of female students.

The Military Department is under the supervision of Lieut Geo. O. Webster, of the Fourth Infantry, U. S. A.

The Preparatory Department furnishes complete and direct preparation for the Freshman Class.

We heartily recommend Allegheny College to the patronage of our Church and the community at large, and request the appointment of J. W. W. Bolton, Geo. C. Wilding, B. F. Martin and C. D. Hubbard, Board of Control; and C. P. Masden, E. W. Ryan, T. B. Hughes and C. W. Brockunier, Visiting Committee.

We submit the following resolution:—

Resolved, That the West Virginia Conference do ratify the articles of the compact made by the commission appointed by the Pittsburgh, Erie, West Virginia and East Ohio Conferences and approved by the Board of Trustees of Allegheny College, June 27, 1877, and also approved at sundry dates by the Pittsburgh, Erie and East Ohio Conferences.

Mount Union College.

Our information regarding this Institution in encouraging as to number of students and continued prosperity.

We recommend as Committee of Supervision, G. Martin, G. L. Clark and J. A. Fullerton. Committee of Visitation, C. E. Manchester, L. L. Stewart, Geo. E. Hite and Geo. C. Sturgiss.

West Virginia University.

We request the Bishop to reappoint Rev. J. R. Thompson to the presidency of said institution.

Drew Theological Seminary.

We rejoice in the rapid and permanent growth of this "school of the prophets," in the great financial gain, and the efficient ministers she is sending forth to proclaim the Gospel.

We recommend the following Visiting Committee, J. R. Thompson, S. B. D. Prickitt and D. H. K. Dix.

Beaver College.

We have received the annual report and heartily recommend this school to the patronage of all people who are anxious to educate their children. Visiting Committee, W. C. Wilson, J. W. Webb and Dr. H. W. Brock.

Ohio Wesleyan University.

Under the Presidency of Rev. C. H. Payne, D.D., LL.D., this Institution of learning was never in a better condition, the attendance the past year being over 600. This year over 200 new students matriculated at the beginning of the year, and there is a larger attendance than ever before. The moral tone and mental drill of this school are of the highest order, and must educate and train robust, Christian manhood. Commending this Institution to the patronage of our people, we recommend as Visiting Committee, A. Hall and W. C. Snodgrass.

West Virginia Conference Seminary.

Your Committee, after consultation with various parties, and testing the sentiment of our Conference, have concluded that the

time for definite action has come. We recommend the appointment of a Committee of ten to solicit subscriptions toward an Institution of Academic grade for both sexes, to be located south of the Little Kanawha river. The subscriptions taken to be void, unless the sum of \$5,000 shall be secured in reliable pledges. We recommend the appointment of a Board of Control, to be composed of the Presiding Elders of the Conference, and one layman for each District. This Board shall take charge of the subscriptions, collect and control the same when reported by the Soliciting Committee—they having secured the full \$5000. If in the judgment of the Board of Control it is deemed necessary to purchase or erect a building, they shall have power to do so and commence a school and control the same until the next session of our Conference.

Soliciting Committee—W. M. Fitzwater, J. W. Bedford, L. A. Martin, G. W. Atkinson, L. H. Jordan, W. G. Riheldaffer, H. W. Hovey, Geo. C. Wilding, G. C. Shaeffer, Dr. A. Workman.

W. C. SNODGRASS, Chairman.

C. P. MASHDEN, Secretary.

ON THE OBSERVANCE OF THE SABBATH.

We believe that the increase of foreign population is hostile to our Christian Sabbath; the efforts of infidels to secure the repeal of the laws requiring its observance as a day of rest; the increase of Sabbath desecration by trade and travel, for business and pleasure; the running of trains on our railroads, call upon Christians to increase their efforts to secure the proper observance of the day we are commanded to keep holy.

We commend the action of the Wheeling District Camp-Meeting Association and the Wheeling District Conference in regard to closing the gates on the Sabbath of camp-meeting, and wish to put ourselves on the record as opposed to the running of camp-meetings, Sunday trains, and all desecration of the Sabbath, whether under the guise of business, pleasure or religion.

A. HALL, Chairman.

ON BIBLES.

The American Bible Society is our most efficient co-laborer in evangelizing this great nation, therefore,

Resolved, That we, as a Conference, will ever rejoice in using every opportunity to give it our most cordial support and sustain the indefatigable efforts of the State Superintendent, Rev. W. R. Long.
J. A. FULLERTON, Secretary.

ON TEMPERANCE.

WHEREAS, The use of intoxicating liquors, as a beverage, is a great sin and hence destructive of man's happiness, both for time and eternity, therefore,

Resolved, That we will do all in our power to stop the manufacture, sale and use of said liquors.

E. W. RYAN, Chairman.

L. L. STEWART, Secretary.

ON SUNDAY SCHOOLS.

Believing the Church to be the great instrumentality in the hands of God for conversion of the world, and regarding the Sunday School as the nursery of the Church, and realizing that the prosperity of the Church is largely dependent upon the efficiency and success of the Sunday School, therefore be it

Resolved 1st, That as pastors we should take a greater interest in this department of our work and strive earnestly to comply with the requirements of the discipline.

1st. By giving personal attention to the organization and work of the Sunday Schools within our charges.

2d. By urging upon our people the advantages of continuing the schools through the Winter as well as the Summer.

3rd. By impressing upon the parents and guardians the necessity of their sympathy and influence and personal co-operation in the work.

4th. By organizing our schools into missionary societies.

Resolved 2d. That we insist upon the use of our own Sunday School literature in our Schools.

T. H. TRAINER, Chairman.

ON PERIODICALS AND BOOK ACCOUNTS.

The Committee on Periodicals and Book Accounts submit the following:—

856

2/24/58

259

We have carefully examined the reports of the New York, Cincinnati and Pittsburgh Book Concerns, and find them in a healthy condition.

With pleasure we note the continued prosperity of our periodicals, and the increasing dissemination of a pure literature among our people, believing that this will promote the intelligence, spirituality, stability and efficiency of the Church and at the same time contribute greatly to our national prosperity and perpetuity.

We are pleased to learn that the circulation of the *Pittsburgh Christian Advocate* has been increased during the past year, and we most earnestly recommend all the ministers within our bounds to make a vigorous effort to still further increase its circulation during the ensuing year.

Resolved, That in our judgment it is advisable to change the form of the *Pittsburgh Christian Advocate* from an eight to a sixteen-page paper.

T. B. HUGHES, Chairman.

E. W. RYAN, Secretary.

ON DISTRICT CONFERENCE JOURNALS.

Your Committee, to whom was referred the Records of the District Conference Journals, beg leave to make the following report:

We have examined the Records of several Districts which hold these Conferences, and find them neatly and correctly kept in books provided for that purpose. Report submitted.

THOS. H. TRAINER, Chairman.

ON PERMANENT FUND.

The Committee on Permanent Fund for the benefit of the worn-out preachers, the widows and orphans, of those preachers who have died in the work, present the following report.

We are more than ever convinced of the necessity of such a fund, and of the practicability of raising this fund, if the preachers will do their duty concerning it. Therefore,

Resolved 1st. That each preacher present this fund to the members of our Church and congregations soliciting subscriptions for it, personally or otherwise as he may deem best, and report the amounts received as soon as possible to the Corresponding Secretary of the fund.

Resolved 2d. That the present Board and Officers be appointed and that Brother A. J. Lyda be appointed Treasurer in place of Brother H. K. List, resigned.

SAMUEL STEELE, Chairman.

ON TRACTS.

Tract means drawn out. It is truth drawn out of the Word of God, and through this instrumentality, scattered as leaves from the tree of life for the healing of the nations.

We regret that the tract collections for the past year amount to so small a sum.

It is vastly important that we give more attention to this cheap and efficient way of scattering truth.

J. E. WASSON.

ON PRESIDING ELDERS' ACCOUNTS.

We, the Committee to audit Presiding Elders' Accounts, find the moneys received properly disbursed and receipted for, with one exception, viz.: W. R. White, of Buckhannon District, still holds \$25 due Rev. Adamson, which he has had no opportunity to pay over. Also \$15.50 of the appropriation to a work that was without a pastor a portion of the year.

It appears that the Presiding Elder of New River District received and disbursed the first three installments to that District, but did not receive the fourth installment.

To the West Virginia Conference:—

Your Conference Board of Church Extension submit the following report:—

Since the last session of our Conference the Parent Board at Philadelphia have made to our Conference the following grants of money:

January 21st, to the Bishop Morris Memorial Church at Milton, Guyandotte District, a donation of \$100 and a loan of \$150.

February 6th, to the church at Pennsboro, Parkersburg District, a donation of \$150.

February 28th, To the Mountain View church, near Concord, New River District, a donation of \$150.

April 28th, to the church at Oakington, a donation of \$100.

May 5th, to the Mt. Pisgah church, in the Guyandotte District, a donation of \$100.

June 30th, to the Ceredo church, in the Guyandotte District, a donation of \$200.

July 21st, to the Macedonia church, St. George Circuit, Oakland District, a donation of \$75.

Aid has been promised, on conditions not yet complied with, to the Vancamp church, Parkersburg District, a donation of \$50.

To the Glad Tidings church, Nicholas county, New River District, a donation of \$100.

To the State Street church at Charleston, Charleston District, a loan of \$2500.

Thus, brethren, you see we have granted to us, for use within the bounds of our Conference, donations to the amount of \$1025, and loans to the amount of \$2650. While last year, our entire Conference collected for the Board of Church Extension, the meager total of \$221.33.

It certainly pays the West Virginia Conference to invest money in this grand society. We ought to raise large collections for Church Extension Board. *They give us two dollars for every dollar we give them.*

Last year's Minutes show that forty-four charges contributed *nothing* for this grand work. Brethren, let us determine to remedy this.

W. C. WILSON, President.

G. C. WILDING, Cor. Sec'y.

Joseph Cook is a phenomenon to be accounted for. No other American orator has done what he has done, or anything like it; and, prior to the experiment, no voice would have been bold enough to predict its success.—Rev. Professor A. P. PEABODY, of *Harvard University*.

These Lectures are crowded so full of knowledge, of thought, of argument, illumined with such passages of eloquence and power, spiced so frequently with deep-cutting though good-natured irony, that I could make no abstract from them without utterly mutilating them.—Rev. Dr. THOMAS HILL, *ex-President of Harvard University*, in *Christian Register*.

Mr. Cook is a great master of analysis. He shows singular justness of view in his manner of treating the most difficult and perplexing themes.—*Princeton Review*.

The Lectures are remarkably eloquent, vigorous and powerful.—R. PAYNE SMITH, *Dean of Canterbury*.

They are wonderful specimens of shrewd, clear, and vigorous thinking.—Rev. Dr. ANGUS, *the College, Regent's Park, London*.

These are very wonderful Lectures.—Rev. C. H. SPURGEON.

The Lectures are in every way of a high order. They are profound, yet clear.—Rev. ALEX. RALEIGH, D. D., *London*.

These wonderful Lectures stand forth alone amidst the contemporary literature of the class to which they belong.—*London Quarterly Review*.

Traversing a very wide field, cutting right across the territories of rival specialists, the work on Biology contains not one important scientific misstatement, either of fact or theory.—*Bibliotheca Sacra*.

Vigorous and suggestive. Interesting from the glimpses they give of the present phases of speculation in what is emphatically the most thoughtful community in the United States.—*London Spectator*.

I admired the rhetorical power with which, before a large mixed audience, the speaker knew how to handle the difficult topic of biology, and to cause the teaching of German philosophers and theologians to be respected.—Professor SCHÖBERLEIN, of *Gottingen University*.

Aside from the rhetorical brilliancy of his style, and the aptness and fertility of his illustrations, Mr. Cook's method of exposition is remarkably effective.—*Appleton's Journal*.

It may be said unqualifiedly that the pulpit has never brought such comprehensiveness and precision of knowledge, combined with such logical and literary skill, to the discussion of the questions raised by the supposed tendency of biological discovery.—*Eclectic Magazine*.

Mr. Cook is not only a master of the art of putting things, but he is a wit. It is wit none the less because it is used for a serious purpose.—*Hartford Courant*.

MOUNDSVILLE, WEST VA., Oct. 5, 1881.

The Thirty-Fifth Session of the West Virginia Conference, of the Methodist Episcopal Church, assembled in the M. E. Church, in Moundsville, West Virginia, at 9 o'clock A. M., October 5th, 1881, with Bishop Randolph S. Foster, D. D., LL. D., presiding.

Remarks of Bishop.—The Bishop addressed the Conference briefly but aptly in regard to this being his first visit to our Conference, and urged the Conference to endeavor to make this an eminently spiritual session, and to put forth special effort to attend the morning meetings for prayer.

Twentieth Question.—The 20th question, "Was the character of each preacher examined?" was taken up.

J. W. W. Bolton, Presiding Elder of the Morgantown District—after the passage of his character—reported his District work for the past year. Three churches have been built, dedicated and paid for. Had suffered much pain, was conscious of many defects, but had done the very best he could, and was willing to leave the result with God. Was thankful for the support of his brethren and the strength given him by the Lord.

The characters of the following Effective Elders were passed, each reporting, as his name was called, his collections for Missions, Conference Claimants and Church Extension:

W. C. Snodgrass, T. H. Trainer, W. F. Cannon, G. W. Parriott, L. H. Jordan, C. S. Allemong, W. C. Wilson, J. Conwell, W. J. Sharpes, J. T. Eichelberger, J. R. Thompson, L. W. Roberts.

E. W. Ryan, Presiding Elder of the Wheeling District, was called, his character passed, and he proceeded to represent his District, stating that material advancement had been made in every department of Church work in the various charges of his District.

The characters of the following Effective Elders were passed, each reporting his benevolent collections as named above:

S. Steele, G. E. Hite, T. B. Hughes, C. E. Manchester. D. H. K. Dix, J. J. Dolliver, E. H. Orwen, J. A. Fullerton, W. D. Carrico, J. M. Warden, S. King, A. Hall, E. S. Wilson, W. E. Rippey.

The character of B. Ison, Presiding Elder of the Oakland District, was passed, and he gave a statement of the condition of his District. He reported a good degree of prosperity, a large accession to the Churches, unusual attention given to Sunday Schools, an increase in the benevolent collections, three churches erected and five more soon to go up, and a fine summer resort, under Methodist auspices, to be opened next summer, near Oakland.

The characters of the following Effective Elders were passed, each reporting his collections: S. E. Jones, N. L. Baumgardner, G. Rogers, F. G. W. Ford, J. B. Feather, C. J. Trippett, J. C. Rexroad, D. Cool, L. E. Leslie.

The character of G. Martin, Presiding Elder of the Clarksburg District, was passed, after which he proceeded to represent his District. He reported about seven hundred conversions, and a large per cent. received into full membership. Six churches have been built and dedicated, and a new parsonage erected at Clarksburg and paid for. Closing up his fourth year. The people, the pastors, and, best of all, the Lord had been good to him.

W. R. White, Presiding Elder of the Buckhannon District, after the passage of his character, represented his District. He reported some discouragement on account of the affliction of some of his preachers; Churches are being erected and parsonages repaired; had tried to incite the people to a deeper spirituality; hoped the finances would show an improvement in many of the charges; need more men—men having the missionary spirit; desired a return of the old love feast form and power; their greatest foe is whisky, and must get that under foot; was out in the last long, cold winter, and endured it splendidly; had a refreshing religious experience, and the hearty co-operation of all his brethren.

The characters of the following Effective Elders were passed, after reporting their benevolent collections: W. E. Loomis, W. E. Lovett, C. J. Price, A. Mick, J. E. Wasson, C. Warman, W. Palmer, C. W. Upton, W. H. Young, D. M. Heaston, R. Weese.

Webb, the following committee was appointed to prepare the address:—S. Steele, C. P. Masden, and D. H. K. Dix.

On motion of J. W. W. Bolton it was ordered that in case a member of the Court be providentially detained, thirteen shall constitute a quorum.

Twentieth Question.—The 20th question was resumed. The character of J. L. Clark, Presiding Elder of the Parkersburg District, was passed, and he proceeded to represent his District, stating that there had been some extensive revivals; spiritual interest advanced; special effort made to build up Christian character; all the interests of the Church being improved; Sunday School work growing interesting and institutes being held; some churches dedicated and a number of others projected, three in one charge; debts on the older churches being paid, so that but little indebtedness will remain; some personal afflictions among the brethren; closing up a series of years the most pleasant in his life; in 1844 had a field of labor embraced by the present Parkersburg District; was ready for any place to advance the Kingdom of God, and secure the salvation of souls.

The characters of the following Effective Elders were passed, each reporting his benevolent collections: G. C. Wilding, J. W. Lambert, D. S. Hammond, G. Crosfield, S. B. D. Prickett, J. F. Chenoweth, H. H. Westwood, E. C. Woodruff, W. W. Kelley, J. Engle, N. B. Johnson, L. D. King.

H. C. Sanford, Presiding Elder of the Charleston District, after the passage of his character, reported his District. He stated that three elements—the severe Winter, the failure of crops, and the dullness among the public works, on account of the stoppage of navigation—had combined to produce very hard times in his District; the people had lived—barely lived—yet the reports would equal, if not exceed, former years; a number of churches and parsonages had been erected and repaired; spiritual prosperity visible all over the District.

The characters of the following Elders were passed, each reporting his collections: G. C. Shaffer, A. D. Perry, T. P. Ryan, H. Scott, T. Cotton, S. Cummings, T. R. Faulkner, J. W. Griffiths, S. C. Loomis, J. W. Hess, J. T. Davis, W. A. Cheuvront.

Charleston Church.—A very full statement concerning the debt hanging over this church was drawn out by the inquiry of the Bishop, a report from the Trustees of the church being read.

On motion of S. Steele, it was ordered that a committee of three be appointed in the case of S. E. Loomis, who was reported as having left his work during the year.

J. W. Webb, Presiding Elder of the Guyandotte District, was called, his character passed, and he reported his District. He said: I will not consume your time with an extended report. Am closing up my fourth year on the Guyandotte District. In those years we have built and repaired twenty churches and parsonages, and others are in course of erection. Three churches are now being erected, and others renovated. Salaries are improving steadily, and the benevolent collections are better than in any previous year. The spiritual condition of the District is good, and every interest of the work is in superb order. No man need think himself afflicted if assigned to the Guyandotte District. Nine charges, now in the New River District, were in my District four years ago. Those have been years of toil, affliction, and suffering, yet I would not for any price have them blotted from my history. I will utter a prophecy. In ten years from to-day, preachers in the upper end of the Confer-

ence will be as anxious to go to the "lower regions" as they now are to get away from there.

At the close of Brother Webb's report he was presented with a handsome watch by the preachers of his District, and responded in touching terms.

The characters of the following Effective Elders were passed, each reporting his benevolent collections: J. E. Mercer, G. R. Copeland, J. W. Bedford, B. Darlington, C. S. Harrison, G. H. Williams, B. Hagar, J. T. Carroll.

The character of F. H. J. King, Presiding Elder of the New River District, was passed, after which he represented his District. This District is composed of fifteen charges, six supplied by the Conference, eight by local preachers, and one left vacant. Little has been done in church building. One church has been built, and one parsonage relieved of a debt. The preachers were compelled to drag through on starvation salaries, with scarcely clothes to cover their backs, or food enough to keep soul and body together. In these afflictions the Lord has sustained them. They have endured it all with true Pauline heroism. [Bishop remarked that Paul never traveled such a Circuit.] This territory is suffering for the service of ordained men—men bearing the full authority of the Church. The Conference has slighted this field in the past. The past could be forgiven, if the future promised more; but it does not improve. This territory, well cultivated, would richly repay us in the future, if not at once. He said he came to the Bishop and the Conference, in the name of twelve thousand men and women, to plead for ordained men. We must send such men, or retire from the field. After life's toils are ended, hoped to meet his brethren in the better land.

The Bishop inquired how many churches were in the District, a territory at least one hundred miles square, and the answer was, twelve, one-half of them on one charge—the Nicholas Circuit. The Bishop spoke tenderly of his youthful recollections of this section of the State.

The character of each of the following Effective Elders was passed and the benevolent collections reported: A. T. Morriston, B. D. Mahone, C. R. Shackelford, W. Wriston.

Eighteenth Question.—The 18th question, "Who are the Supernumerary Preachers?" was taken up, and E. Ford, S. R. Dawson, W. H. Wiley, J. A. Williams, R. Laughlin, V. Sanford, R. L.

Woodyard, S. Hitchens, T. W. Chidester, C. Crawford, E. D. W. King, J. P. Varner, M. McNeel, F. A. Trippett, and C. Poling, were represented by their Presiding Elders, the character of each was passed, and they were continued in their present relation.

When the name of A. J. Lyda was called, he asked for a committee of investigation on his case. On motion of E. W. Ryan, it was ordered that the committee consist of five and to be appointed by the Bishop. The following brethren were appointed to constitute the committee: L. H. Jordan, Sam'l Steele, W. C. Wilson, A. Hall, T. B. Hughes.

S. Lowther and R. M. Wallace were made effective; and J. G. Weaver was superannuated.

Nineteenth Question.—The 19th question, "Who are the Superannuated Preachers?" was called, and the character of each of the following superannuates was passed, and they were continued in their present relation; viz.: D. A. McGinniss, J. Birkett, A. Dixon, R. L. Brooks, G. Jones, D. S. Benedum, J. B. West, R. Northcraft, J. B. Pinchen, J. N. Eckess, J. W. Reger, C. Conner, W. H. Shaw, J. S. Laughlin, Robt. Brooks.

The characters of the following brethren were passed, and they were placed in the effective relation, viz.: A. Stevens, G. W. Matheny, and B. F. Rogers.

Keyes, of the East Ohio Conference, and Rev. W. H. Barnes, of the Reformed Episcopal Church; also, Prof. D. B. Purinton, President of West Virginia University; Prof. A. L. Wade, of Morgantown, and Rev. Brown, of the Washington Conference.

Recognition of Orders.—H. C. Sanford asked the Conference to recognize the orders of W. W. Harper, who had withdrawn from our Church and returned to the fold. The Bishop decided that we could not recognize his orders, as they had been forfeited by his withdrawal from our Church.

Reports of Committees.

Pastoral Address.

DEARLY BELOVED BRETHREN :

Assembled in our Annual Conference, we address to you our warm, fraternal greetings, and send to you a few words of loving counsel. Having "obtained like precious faith with us through the righteousness of God, and our Saviour Jesus Christ," you possess the one hope of our calling, and under the great Captain of our salvation, you are engaged in conflict with our common foes. Let us be followers of those who "overcame by the blood of the Lamb, and by the word of their testimony."

Through another various year the God whose we are and whom we serve has brought us safely, and we are resolved with grateful hearts to give ourselves continually to prayer and to the ministry of the Word among you, and the work of faith with power.

We are sorry to learn that many of our members who believe our doctrines, attend our ministry and come to the table of the Lord with us, do not meet in class. This is to them a loss and to us a source of weakness. Their example is not as helpful as it should be, no matter how blameless their life may be. We believe their souls would profit much by attendance on this heart-searching means of grace. Other Churches are adopting similar arrangements for helping penitents and building up believers, and we find the effect of a genuine revival of religion among ourselves is to increase the attendance in our classes, and our spirituality.

The need of suitable Class Leaders is deeply felt in many parts of our Conference. Pray then earnestly, dear brethren, for holy, faithful leaders to be raised up in all our societies. Hardly second to these in importance is the office and work of the Sunday School Teacher. Those of you who are engaged in training the young in our Sunday Schools need to guard against conformity to the world, and so to fashion your lives that those who are taught by you may see in you

an example of what they ought to be. In living and in teaching let the Word of God be your standard.

We are not forgetful that other Churches and agencies are doing a good work in this State, and we pray "Grace be with all them that love the Lord Jesus Christ in sincerity." But in order to efficient service we must be faithful to our Church relations and duties. Let the Church of your intelligent choice have your best and constant service. Do not for any trivial excuse neglect her ordinances. Speak no evil of her ministers. No right-minded Christian will respect you, if you, bearing the name of Methodist, speak hardly of the Methodist Episcopal Church, or of your brethren; God will then charge you with speaking evil of your brother and slandering thine own mother's son. "Let your conversation be as it becometh the Gospel of Christ." Cultivate, dear brethren, a liberal, generous spirit. Many of the ministers who preach to you the unsearchable riches of Christ and are helpers of your joy, are not sufficiently supplied with even the necessities of life, and ought to have a more liberal support. It is a shame that many of our Circuits seldom meet the claims laid by a committee of yourselves to give a comfortable support to your peacher. And in some instances appointments on certain Circuits having raised more than their apportionment of the Preacher's claim, forgetting the connectional principle of our beloved Methodism, retain it in their hands and allow the Preacher to be deficient in his claim.

Christians should not be behind others in pursuit of knowledge, but in the first ranks of all who seek truth. But above all things let us seek to know Christ and promote His Kingdom among men. God is able to make all grace abound toward you. And the Lord direct your hearts into the love of God and in the patience of Christ.

Memoirs.

Rev. Francis Guthrie.

Rev. Francis Guthrie, of the West Virginia Conference, died July 7th, 1881, at Gallipolis, Ohio, at the age of 80. He was born in the State of New York, June 4, 1801. He was converted and joined the regular Baptist Church at the age of sixteen. Ten years

later he joined the M. E. Church, and was licensed to exhort, and was licensed to preach in 1834, and in 1838 was received into the Erie Conference. On account of the failing health of his wife, in 1840 he located, and removed to Ohio. In 1846 he entered the Ohio Conference, and traveled in that and the West Virginia Conference till 1864, when, health failing, he superannuated, continuing in that relation till his death. During his residence in Gallipolis, he greatly endeared himself to the Church by his godly life and conversation. On the Sabbath before his death, his pastor, C. F. Creighton, inquired after his health. His reply was, "Very feeble, but as happy as I can live." He professed and enjoyed the blessing of "perfect love." His life was as sweet as his testimony was clear. He reigns with Christ.

D. L. HAMMOND, Chairman.

Rev. S. D. Jones.

Rev. Samuel D. Jones died in Williamstown, West Virginia, March 1, 1881. He was born in Berks County, Pa., July 15, 1806. He was brought up an Episcopalian, but was converted at a camp-meeting, in August, 1824, at the age of eighteen, when he joined the M. E. Church. He commenced his Church work as an exhorter and local preacher, and was admitted with Bishop Janes into the Philadelphia Conference, in 1830. He preached for three years in Delaware, Maryland and Virginia, with great success. Health failing, he retired for a year or two. He was married to Hannah Griffith, March 12, 1837. They landed at Marietta, Ohio, in the spring of 1837, where he entered the Pittsburgh Conference, and was very successful in the conversion of souls and the up building of the Church. He was in the active work most of the time till 1873, when he was discontinued on account of age. During his ministry he built over three hundred churches, and on one charge took eight hundred into the Church in two years. During his sickness he gave expressions to his faith in Jesus and hope of a glorious immortality. He praised the Lord as long as he could speak. He died in great triumph, and, like Stephen, apparently in view of heaven. His wife and two daughters, Maggie and Sarah, had already gone before. He leaves two sons, Rev. J. C. Jones, of the Ohio Conference, and Samuel E. Jones, of Williamstown.

Mrs. U. H. Trainer.

Mrs. Uranor H., wife of Rev. T. H. Trainer, of the West Virginia Conference, died at Morgantown, June 18, 1881, in the 57th year of her age. She was the widow John Lloyd, and the mother of

three children, none of whom are now living. Six years ago she was married to the Rev. T. H. Trainer, then Presiding Elder of Guyandotte District. She proved herself well adapted to the itinerancy. At Barboursville, where she lived prior to her second marriage, for many years she was the leading spirit and chief support of the Church. The present church edifice largely owes its existence to her. In her convictions she was earnest and fearless; once leading a company of the women of Barboursville to the Court House, publicly remonstrating with the Court against the granting of liquor license, and won her cause. Her last sickness was full of great pain, but she was resigned to the will of the Lord, and died in Christian triumph.

Mrs. Mary Feather.

Mrs. Mary Feather, wife of Rev. J. B. Feather, of the West Virginia Conference, departed this life in great peace, at her home, in Preston County, West Virginia, Jan. 11, 1881, in the 48th year of her age. Her death was the result of a cancer, from which she suffered for more than two years. She was converted in early life, and was found faithful until death. She was married to Rev. J. B. Feather April 12, 1857, and was indeed a faithful companion to him in the midst of the vicissitudes of itinerant life. She was amiable and gentle in spirit, and has left behind her a "good name," which is better than precious ointment. Washed and made white in the blood of Christ, and, like Him, made perfect through suffering, she has exchanged the cross for the crown, and a world of sorrow for a world of joy. Peace be to her memory.

Mrs. Ida E. Westwood.

Ida E., wife of Rev. H. H. Westwood, of the West Virginia Conference, was born in Harrison County, West Virginia, Sept. 30, 1857, and departed this life at Harrisville, Ritchie County, West Virginia, August 29, 1881. She was left an orphan when quite young, her father dying in defense of his country. At the age of ten years she was converted to God, and joined the M. E. Church. She often said, "I never had any doubts of my conversion." She was married to Rev. H. H. Westwood, Jan. 6, 1874. Her religious life was one of great beauty, for she was thoroughly devoted to God. She was a true "help-meet" to her husband in his divine calling. By her words of exhortation penitents have been brought to bow at the altar of prayer. Her illness was long and painful, but without murmuring,

for her trust was in the Lord. She said, "It is wonderful how much humanity can stand." An hour before she died, to her husband she said, "Good bye! Meet me in heaven. My sufferings will soon be over, and then welcome home." The following lines, by herself, indicate her mind:

"Thou great Creator, who made the sun to shine
On every home and nation in this vast world of thine,
If it is thy will that I should never rise,
Prepare my heart, dear Lord, to meet thee in the skies;
And may I ever patient be until my time shall come,
And always with my Saviour say, 'Thy will, not mine, be done.'"

Education.

As citizens of West Virginia, we rejoice in the progress of educational work within our own State. At the foundation of this work is our excellent system of free schools, and crowning the whole the young and vigorous University of the State, which, we are happy to note, is in a prosperous condition.

Reports have been received from the different institutions of learning under the joint control and supervision of the West Virginia and associated annual Conferences, which show encouraging success in the various departments of their work.

Allegheny College.

The report shows an advance of about ten *per cent.* over last year in all departments of College work. We commend the institution to our people in particular and to the community in general, and ask the appointment of J. W. W. Bolton, Hon. B. F. Martin, H. J. Boatman, and Hon. G. W. Atkinson, as a Board of Control; and J. A. Fullerton, J. Lee, G. C. Wilding, and J. Engle as a Visiting Committee.

Mount Union College.

The attendance, during the past year, has been increasingly large, and the facilities for acquiring a good education have been multiplied. As a Committee of Supervision we would name S. Steele, L. L. Stewart, and T. R. Faulkner. Committee of Visitation, A. Hall, J. W. Webb, and J. L. Clark.

Beaver College.

Under its present efficient management, this College is as popular and successful as ever before. We commend it as deserving the confidence and support of our people, and nominate the following gentlemen as Visiting Committee: E. W. Ryan, Geo. E. Hite, and Dr. H. W. Brock.

Pittsburgh Female College.

This is among the oldest and best of the institutions claiming our patronage. Its appointments and accommodations are ample. No institution in the land affords more and better advantages to young ladies seeking a Christian education. We, therefore, commend the College to our people, and ask the appointment of C. P. Masden, John M. Davis, and A. L. Wade as Visiting Committee.

Ohio Wesleyan University.

Under the presidency of Dr. C. H. Payne, this school is enjoying a great measure of success. The attendance during the last year has been unusually large. It has become an honor to the great Central West, and we regard it more and more worthy of our esteem and patronage. For Visiting Committee we nominate: W. C. Snodgrass and J. M. Warden.

Theological Seminaries.

Reports have been received from *Garrett Biblical Institute*, *The School of Theology of the Boston University*, and *Drew Theological Seminary*, which show that these modern "Schools of the Prophets" are in good condition, and that they are all doing a great work in educating our young men for the Christian ministry. A number of promising young men from our Conference have been in attendance upon Drew Seminary, and some have graduated with credit to the institution and honor to themselves. As the demands for an educated ministry are becoming greater every year, we commend these schools to our young ministers as affording them the greatest advantages in preparing for their sacred calling, and to all our people as worthy of their confidence and support.

W. C. SNODGRASS, Chairman.

HENRY J. BOATMAN, Secretary.

Periodicals.

The Committee on Periodicals and Book Accounts submit the following report :

We are pleased to note that the annual exhibit of the New York Book Concern and its various depositories shows a net gain of \$71,725.63. The exhibit of the Western Book concern and its depositories shows a net profit of \$16,256.19. Making a total net gain of \$87,981.86.

The Book Committee at its annual meeting recommended to the agents of the Book Concern the declaration of a dividend of fifteen thousand dollars, to be distributed among the annual Conferences during the year 1882.

We believe that the books published by our own publishing houses are, all things considered, cheaper and better than can be obtained elsewhere, and if our people will be loyal to our connectional interests, and purchase books and Sabbath School literature from our own Book Concerns, they will not only promote the intelligence and piety of the Church, but also greatly assist in accumulating a fund which will relieve the distress of our aged and deserving ministers and their families.

We are glad to report that nearly all our periodicals published east and west have yielded a profit during the year, and many of them show an increased circulation; but with a steadily increasing membership they ought to have a much larger circulation than they now have.

The *Pittsburgh Christian Advocate* was never in a more flourishing condition.

During the year its form was changed from an eight-page to a sixteen-page paper, which has given general satisfaction. New type has been procured at a cost of \$623.93, and yet the net gain for the year was \$2,102.00, and the total amount of cash on hand at the close of the year was \$5,499.45.

Resolved, That we recommend all our preachers and members to purchase our own books, circulate our periodicals, and particularly that of the *Pittsburgh Christian Advocate*.

Resolved, That the Publishing Committee be requested to use a finer, whiter, heavier quality of paper in printing the *Pittsburgh Christian Advocate*.

Resolved, That it is the judgment of this Conference that no man who does not take some one of our Church papers ought to be in official relation to the Methodist Episcopal Church.

Signed,

T. B. HUGHES, Chairman.
T. COTTON, Secretary.

Bible Cause.

Your Committee on Bible Cause beg leave to report:

1. There ought to be a more thorough study of the Word of God, especially in family, Church and Sabbath Schools.
2. We commend the American Bible Society as furnishing the best printed Bibles, at lower rates than can be had elsewhere.
3. Rev. W. R. Long, State Superintendent of the American Bible Society, has done a grand work in our midst, and we ask for him the support and co-operation of the Conference and people.

T. H. TRAINER, Chairman.

C. E. MANCHESTER, Secretary.

Observance of the Sabbath.

WHEREAS, The Sabbath was made for man, designed to bless, not to burden, and the command to keep it holy was given for wise and beneficent purposes and is of perpetual obligation, necessary to the welfare of the race, indispensable to the prosperity of the Church, the stability of government and the perpetuity of our free institutions, therefore

Resolved, That we observe with profound regret the increase of Sabbath desecration in our country by traffic and travel.

2. That we heartily endorse the declaration of our last General Conference that "the desecration of the Sabbath in public travel is a crying evil that demands correction."

3. That we deplore especially the demoralizing effect of Sabbath excursions to Camp Meetings and other places of public resort.

4. That the closing of gates at Camp Meetings against excursionists meets our hearty approval, and if this or other measures do not correct the evil, we recommend the discontinuance of Camp Meetings altogether.

5. That, as ministers, we will more frequently and emphatically enjoin in the observance of the 4th Commandment, and as citizens and patriots, labor to secure the enforcement of the laws against Sabbath desecration.

J. T. EICHELBERGER, Chairman.

Temperance.

The Methodist Episcopal Church, like her great founder, Mr. Wesley, is the uncompromising enemy of intemperance.

We will heartily co-operate in the movement now in progress in the State of West Virginia, to obtain legal prohibition of the sale of all intoxicants, except for mechanical and medicinal purposes.

We will endeavor to procure unfermented juice of the grape for use in our sacramental services.

We will admonish our people that the use of fermented grape juice and cider, as beverages, is to be avoided as especially dangerous to the young.

L. H. JORDAN,
L. L. STEWART.
C. J. TRIPPETT.

Sunday Schools.

Believing the Sunday School to be second only to the ministry as a means of building up the Church of Christ, we would reiterate the resolution of former years, that vigorous efforts be everywhere made to promote the number and efficiency of our Schools. And, furthermore, believing our lesson helps, &c., to be unsurpassed, we earnestly insist that our Methodist literature, and that only, be used in our Schools.

WM. J. SHARPES, Chairman.

M. W. RIDER, Secretary.

Tracts.

From its origin, Methodism has recognized the power of the press as an agent in spreading the Gospel. Mr. Wesley was the first to publish religious literature in a cheap form for distribution among the people. His followers, in this country, early carried out the same practice and have continued the work in a less or greater degree until the present.

We admire the beautiful and convenient form of the New Series published by the Tract Society. We regret that the collections for the past year are so small, therefore

Resolved, That we, as a Conference, will embrace every opportunity of scattering our Tracts among the needy.

G. W. PARRIOTT, Chairman.

C. H. LAKIN, Secretary.

District Conference Journals.

The Committee to whom was referred the District Conference Journals, beg leave to make the following report :

We have examined the Records of three Districts in which these Conferences are held, and find them neatly and correctly kept in books provided for that purpose.

The Journals of Oakland and Buckhannon Districts were not presented for examination. Respectfully submitted,

J. HENRY HESS, Secretary.

W. H. YOUNG, Chairman.

Auditing Presiding Elders' Accounts.

We, your Committee to audit the accounts of Presiding Elders, after a careful examination, find that the amounts appropriated to the several Districts have been properly disbursed and receipted for, with the exception of \$60, appropriated to Quinnimont and Hinton Mission, New River District. The Presiding Elder holds in his hands said \$60, subject to order of Conference. Respectfully submitted,

C. S. ALLEMONG, Chairman.

Pumphrey Fund.

The Pumphrey Fund, consisting of \$1,800, has all been loaned and secured by a lien on real estate, or otherwise, and the interest collected and paid over to Board of Stewards, as directed by the Conference.

Oct. 1, 1881.

A. J. LYDA,

G. MARTIN.

A. J. Lyda.

We, the Committee appointed to receive the explanation of A. J. Lyda relative to the article which appeared in the *Wheeling Intelligencer* of December 11, 1880, beg to report that, while the explanation of Bro. Lyda was not entirely satisfactory to your Committee, and that it was unfortunate that he had any connection, no matter how innocent, with such parties, yet, accepting his denial of any impure motives, we think there are not sufficient grounds to arrest his character.

(Signed,)

SAMUEL STEELE,

Reports of Committees.

Memoirs.

ALMEDA A. CHEUVRONT.

Almeda A. Cheuvront, daughter of William C. and Nancy D. Mahone, was born in Cabell County, West Virginia, January 8th, 1854. She was converted to God and joined the M. E. Church under the administration of Rev. Benjamin Hagar, at the age of 12 years. She was married to Rev. W. A. Cheuvront, of the West Virginia Conference, Sept. 30th, 1874; and for eight years was subject to the toils and ills that are incident to an itinerant life, always anticipating better things in the future. She adapted herself most admirably to her situation in life, was cheerful under the heavy hand of affliction, and died in the full triumphs of a living Christian faith, August 24th, 1882.

Education.

Your Committee rejoice at the increasing interest manifested on the subject of Education in this State. The people have been generally awakened to the great importance of this subject by our popular free school system; the preaching of sermons on Education by our Ministers; by Teachers' Institutes, and by the more general observance of the children's day amongst us as a denomination. But whilst we rejoice at the increasing demands for educational institutions, we regret, however, that as a church, we have in the State, no institution we can call our own. We hope the day is not distant when some of our more wealthy members will build and endow a college where the young of both sexes may receive a classical, scientific and religious education, under our own vine and fig tree, none daring to molest or make us afraid.

Reports have been in the possession of your Committee, from the various institutions of learning with which our Conference, with others, is identified in "joint control and supervision." These reports indicate progress in every department of college work.

ALLEGHENY COLLEGE.

Having examined the report of the Trustees of this institution, and, whereas, they inform us that the College "is prepared to do more and better work than in the years of its past history," we, therefore, heartily commend it to the patronage of our people and the public generally; and respectfully ask the appointment of Hon. B. F. Martin, J. C. Bardall, J. J. Brown and Rev. T. B. Hughes as a Board of Control, and Rev'ds J. W. Webb, J. A. Fullerton and Samuel Steele, as a Visiting Committee.

BEAVER COLLEGE

Is beautifully situated on the Ohio River; its management is all that could be desired. We are fully convinced that it is entirely worthy of the confidence and support of the public generally, who have daughters to educate, and we heartily commend it to our people in particular. We would respectfully nominate as a Visiting Committee, Dr. Luther S. Brock, Rev'ds L. H. Jordan, W. E. Loomis and E. H. Orwen.

PITTSBURGH FEMALE COLLEGE.

We are pleased to hear of the continued prosperity of this institution. The instructions imparted in all branches of education are full and the accommodations ample; the Faculty and management Methodist and homelike. We heartily commend it to our people. We request the appointment as Visitors, of Rev'ds L. L. Stewart, D. H. K. Dix, and D. S. Hammond.

MOUNT UNION COLLEGE.

This institution is increasingly prosperous and has peculiar facilities for a thorough liberal Christian education. Its Faculty is all that could be desired, and its relations to our Conference full and satisfactory. Its courses of study are ample and methods of instruction excellent. The college buildings are large and healthfully located. We also accept the report of the Trustees and Faculty, and instruct our Committee of Supervision duly to exercise all the rights of this Conference in making the nominations for trustees and officers of Mount Union College, and in casting for the election of its Trustees the vote to which we are entitled on the thirty thousand dollar interest that has been passed to the credit of this Conference. As the Committee of Supervision we recommend for election H. K. List, Dr. T. H. Logan, and Hon. C. D. Hubbard, and for Committee of Visitation, Rev'ds E. W. Ryan, G. E. Hite, and Joseph Lee.

OHIO WESLEYAN UNIVERSITY,

Is one of the most successful institutions west of the Allegheny Mountains and is doing grand work for education and Methodism. Its Faculty has the confidence and affection of the students and the church generally. The institution is an honor to our church. We commend it to our people, and request the appointment of Rev'ds G. C. Wilding, J. L. Clark, and W. C. Snodgrass as a Visiting Committee. We also present the following resolution :

Resolved, That we look with favor upon the invitation of the Trustees of the Ohio Wesleyan University to this Conference to become conjoined with the Ohio, Central Ohio, North Ohio, and Cincinnati Conferences and the Alumni Association in the ownership and control of that Institution, and declare our willingness to accept that trust when the other officially related bodies shall have fully opened the way.

OHIO UNIVERSITY,

Has an able and efficient Faculty, and, although a State institution, has been under the Presidency of a Methodist Minister for many years. From the high character of its President and Faculty, we feel sure that thorough educational work will be done. We heartily commend it to the patronage of our people, and request the appointment of Rev'ds S. E. Jones, S. B. D. Prickitt and Hon. H. C. McWhorter, as Visitors.

WHEELING FEMALE COLLEGE,

Although not under Methodist control, is largely patronized by our Church. Miss A. Taylor, the popular President, is worthy of all confidence, and we cordially commend the Institution to our people.

Periodicals and Book Accounts.

The Committee on Periodicals and Book Accounts submit the following report :

We gathered from the exhibit of the New York Book Concern, and its various depositories, the following encouraging facts : That there is a net increase of \$69,064.89. The exhibit of the Western Book Concern and its depositories show a net profit of \$25,466.12, making a total net gain of \$94,530.98, an increase on the previous year of \$6,549. The reports from the depositories show that most of them have been doing a fair business and the circulation of nearly all the periodical publications of the Church has increased during the past year. We

feel assured that proper effort on the part of the preachers throughout our Conference would very largely increase the sale of our publications. We are assured that our own books and literature are cheaper and better than can be purchased elsewhere, and we deprecate the growing practice of many of our Sunday Schools purchasing from other publishing houses their literature, from a mistaken notion of its cheapness.

The Pittsburgh *Christian Advocate*, under the efficient editorial management of Rev. A. Wheeler, D. D., is growing better, year by year, and we are pleased with the fearless and independent manner in which he deals with the live issues of the day. We are gratified to note the steady increase of its circulation within the bounds of our own Conference, but feel that the circulation is far too small, being about one for every thirty-three members. Therefore, be it

Resolved, That we, as Pastors, do hereby pledge ourselves to a more strenuous effort to increase its circulation within the bounds of our respective charges, and that we use our influence with our Sunday School Boards to have them purchase from our own publishing house all their literature.

Resolved, 2, That we re-affirm the resolution passed in our last Conference session, that, in our judgment, no man who does not take some one of our Church papers ought to be in official relation to the Methodist Episcopal Church.

Bible Cause.

WHEREAS, The Scriptures of Divine Truth are indispensable to a wholesome state of morals,—the only source of pure esthetics, and the only safeguard of society; and,

WHEREAS, They are essential to the social happiness, the intellectual progress and the material advancement of mankind, as well as the “Power of God unto salvation to all that believe,” therefore,

Resolved, 1st, That we, as ministers of the word of God, will not only proclaim but encourage the circulation of the Word of Truth.

2d. That we heartily commend the action of the American Bible Society, recently taken, to furnish the fourth general supply of Bibles to the destitute of the land.

3d. We will welcome to our pulpits and gladly co-operate with W. R. Long, District Superintendent of West Virginia, and will present the Bible Cause to all of our congregations during the ensuing year.

4th. Our sincere thanks are due and are hereby tendered Rev. A. S. Hunt, D. D., Corresponding Secretary of the American Bible Society, for his presence and his instructive address delivered to this Conference; also, that we, with great pleasure, will welcome him to our Conference at any future time.

Observance of the Sabbath.

WHEREAS, The Sabbath Day was designed by Almighty God to be had in perpetual remembrance, and the faithful observance of that day is absolutely essential to our best interests, the welfare of the race, the prosperity of the church, the stability of the Government, and the perpetuity of our free institutions, therefore

Resolved, 1. That we observe with deep regret the increase of Sabbath desecration in our country by pleasure seeking, public travel and traffic.

2. That we heartily indorse the declaration of our last General Conference, that "the desecration of the Sabbath in public travel is a crying evil that demands correction."

3. That we deplore especially the demoralizing effect of Sabbath excursions to Camp Meetings, and other places of public resort.

4. That the closing of gates at Camp Meetings against excursionists meets our hearty approval, and if this or other measures do not correct the evil, we recommend the discontinuance of Camp Meetings altogether.

5. That, as ministers, we will more frequently preach and insist upon the observance of the Sabbath.

Temperance.

Your Committee appointed to deliberate on the subject of Temperance, beg leave to submit the following report:

WHEREAS, The use of intoxicating liquors is productive of untold misery; is the direct or indirect cause of 90 per cent. of all the crime and pauperism of our day; is the most formidable obstacle to our work as Christian Ministers in the Evangelization of the world; is the foe of God and the destroyer of human happiness and life; therefore,

Resolved, 1. That we recognize the hand of Almighty God in the movement that has accomplished so much for the suppression of the liquor traffic in other States and is kindling such an enthusiasm among the friends of temperance of our own State.

Resolved, 2. That while we will not identify ourselves with any partisan movement, yet as a Conference of Christian Ministers to whose hands God has seen fit to commit the spiritual welfare of thousands of people of this State, we hereby pledge ourselves to use every means consistent with the office of the Christian Ministry, to secure such legislative enactments as will help to free our State from the mildew and blight of the rum traffic.

Resolved, 3. That we believe legal prohibition is the only way to rid ourselves of this curse, and consequently pledge ourselves in the exercise of the elective franchise of American citizens to elevate to office, as far as possible, only open and avowed temperance men.

Resolved, 4. That we hereby, as a Conference, petition the Legislature at

its coming session, to submit to a vote of the people the question of constitutional prohibition.

Resolved, 5. That a Central Committee be appointed by this Conference to have general oversight of the work and to secure more thorough organization among ourselves and concert of action with other religious bodies and temperance societies of the State.

Resolved, 6. That we recognize the valuable services rendered the cause of temperance and prohibition by the "West Virginia Freeman," and heartily commend it to the patronage of all friends of the cause it serves.

Sunday Schools.

The Committee on Sunday Schools beg leave to report:

1. We believe the Sunday School to be one of the most efficient agencies by which our children can be taught Gospel Truth, and instructed in Religion, and such influences be thrown around them as will early lead them to Christ.

2. We, therefore, recommend most earnestly that each Pastor give this interest his faithful attention, and thoroughly organize every school on his charge, according to the Discipline, discouraging *Union* Schools, so that we may teach our children, first to be good, and secondly to be good Methodists.

3. Also that our own literature, including our Lesson Helps, be used in all our Sunday Schools.

Tracts.

We, your Committee on Tracts, would submit the following as our report:

Our Church has ever recognized the power there is for good in pure literature, and knowing that great good has been accomplished by this worthy agency, we regard it as deserving of far greater support than it has received from us as a Conference, therefore, be it

Resolved, That as members of this Conference, we will, during this year, put forth a more earnest effort to bring the collections up to a higher standard, and to this end we will put forth earnest personal efforts.

District Conference Journals.

We, your Committee to whom was referred the District Conference Journals, beg leave to make the following report:

Having examined the records of the following District Conferences, viz: Morgantown, Buckhannon, Oakland and Guyandotte Districts, find them neatly and, as we believe, accurately kept.

Auditing Presiding Elders' Accounts.

We, the Committee appointed to audit the accounts of the Presiding Elders, after examination, find that the amounts apportioned to the several Charges and Districts, have been properly disbursed.

Pumphrey Fund.

Your Committee on the Pumphrey Fund, beg leave to report that the sum of \$87.00, amount of interest due, has been collected, and awaits the will of the Conference.

On Case of J. W. Webb.

Your Committee appointed to inquire into the reasons why J. Wesley Webb left his work, after hearing the statement of S. Steele and his Presiding Elder, find no cause of censure against Brother Webb.

Parsonages and Furniture.

It is the opinion of the Committee that the time has fully come when a simultaneous effort should be made to secure parsonages in all our pastoral charges, where married men are likely to be stationed in the near future. We are also convinced that an immediate and united effort should be made to provide furniture for all our unfurnished parsonages. (See Discipline, ¶ 364.) Wherever practicable, we think, this should be fully done at once, but where this is impossible, we suggest the following order for the next three years:

First Year—Stoves and Bedsteads.

Second Year—Tables, Chairs, Bureaus, etc.

Third Year—Carpets.

We recommend that this work be committed to a Parsonage Society of ladies, which should be organized in every pastoral charge without delay.

WILLIAM L. HARRIS.

David A. Friend, who came up for ordination under special provision of General Conference in case of Preachers on Trial, was favorably represented by his Presiding Elder, and having passed the required examination, he was elected to the office of a Deacon, and as the usual time of ordination had passed, Bro. Friend was called forward at this time and ordained Deacon by Bishop Harris.

Appeal.—E. W. Ryan introduced from Dallas Charge a case of an appeal to the President of this Conference on a question of law, which was as follows: A member had been tried and expelled according to our form of Discipline; and at the time of his trial, waived his right to an appeal; eleven days subsequently the expelled wrote his Pastor and Presiding Elder, giving notice of his determination to appeal at the ensuing Quarterly Conference, at which meeting the Presiding Elder overruled the objection, and appeal was admitted to the Quarterly Conference; and it was upon the alleged illegality of this ruling that this appeal was taken. Bishop Harris decided that the

Presiding Elder was right in his ruling, and that he sustained his decision.

Reports of Committees.

Education.

Your Committee report an increasing interest in the Educational departments of the State. A general advance is manifest, especially in our free school system. As a Christian Church, we are now interesting ourselves in this direction. Among the 33,000 Methodists in the West Virginia Conference, there should be at least one institution of learning under the control of the M. E. Church for the education of her young.

Having examined the catalogues and reports from the institutions of learning with which our Conference is identified, we find indications of marked progress in all the departments of school work.

ALLEGHENY COLLEGE.

We are happy to congratulate this worthy and venerable institution, in the selection of Rev. D. H. Wheeler, LL.D., as its President. Under his skillful management we predict for it a bright and prosperous future. Having examined the report of the Trustees, we cheerfully commend the school to the patronage of our people, and ask the appointment of Hon. B. F. Martin, J. C. Bardall, Rev. L. L. Stewart, and L. H. Jordan, as the Board of Control, and Drs. J. A. Fullerton, J. E. Smith, and S. Steele, as Visiting Committee.

OHIO WESLEYAN UNIVERSITY.

We are gratified to report that the invitation of the Board of Trustees to become conjoined with the Ohio, Central Ohio, North Ohio, and Cincinnati Conferences and the Alumni Association in the ownership and control of this great institution of learning has been concurred in by all the officially related bodies, and is therefore open to our acceptance.

We recommend that the Conference assume this trust, and nominate as trustees, their terms of office expiring with Conference sessions of the years named respectively, W. C. Snodgrass, 1884; W. R. White, 1885; Hon. J. C. McGrew, 1886; Hon. C. F. Scott, 1887;

Henry K. List, 1888. We also recommend as Visiting Committee George C. Wilding and R. H. Hughes.

It seems especially appropriate that we should be officially connected with this institution, because when it was founded the greater part of our territory was embraced within the limits of the Ohio Conference, and was therefore tributary to this University. Methodism in West Virginia has grown rapidly, and has fought a great battle for freedom. Meanwhile the Ohio Wesleyan University has advanced from a small beginning to a place in the first rank of American colleges. In attendance it is the largest Methodist institution in the wide world. Its scholarship commands universal respect. It possesses superior facilities for imparting to both ladies and gentlemen a first-class education in both the solid and ornamental branches. Its expenses are kept at the lowest possible point. Its religious spirit is one of its most remarkable features. We gratefully mention the recent revival which resulted in the conversion of more than two hundred students. We earnestly commend this institution to our people, and urge our ministers to call the attention of young men and women to the value and possibility of a thorough education.

MOUNT UNION COLLEGE

continues to invite a large and increasing patronage. Its popular plan of education and self-help makes its large facilities accessible to any earnest, industrious student. We heartily commend it to the patronage of our people, and recommend for membership on the Committee of Supervision, Henry K. List, Dr. T. H. Logan, and Hon. C. D. Hubbard, and on the Visiting Committee, W. G. Riheldaffer, W. E. Loomis, and S. E. Jones.

BEAVER COLLEGE

is a most excellent school and home for young ladies, having a healthful location, and affording ample opportunities for both physical vigor and intellectual culture. Being convinced of its thorough training, we commend it to the patronage of those desiring to educate their daughters. We also recommend that we accept the offer made by the Board of Trustees transferring \$2,000 of the stock to this Conference, to be held in trust, assuming no pecuniary obligations, however, and ask the appointment of Revs. L. L. Stewart and George E. Hite as trustees of said stock, and Dr. J. W. Webb, T. B. Hughes, T. Pickenpau, Capt. A. M. Poundstone, Mrs. Isaiah Warren, and Mrs. Frank Woods as visitors.

PITTSBURGH FEMALE COLLEGE.

We rejoice to report this popular and valuable institution for young ladies in a healthy and prosperous condition, affording ample facilities for thorough instruction. Its surroundings are home-like, its management superior, and its faculty efficient. We therefore commend it to the liberal patronage of our people, and ask the appointment of Revs. J. E. Lee, D. S. Hammond, and E. H. Orwen as Visiting Committee.

WHEELING FEMALE COLLEGE

is located within the bounds of this Conference, and worthy the patronage of our people who may wish to educate their daughters upon our own soil. Its honored President, Miss A. Taylor, A. M., gives careful attention to the home life of the students, as well as to the instruction imparted in the recitation rooms.

Memoirs.

L. D. HEATHERLY.

The Rev. L. D. Heatherly, late of the West Virginia Conference, was born in 1856, in Virginia. He was converted in his 16th year. For some time he engaged in teaching with good success, but feeling a call to the ministry, he offered himself to the Church, was licensed to preach, and admitted on trial in the West Virginia Conference at its session in Charleston, Oct. 4th, 1877. He was ordained Deacon by Bishop Simpson, in 1879, at Morgantown, and Elder by Bishop Foster, at Moundsville, in 1881. Brother Heatherly did earnest and efficient work in the Divine service. He was a young man of deep piety and commendable zeal, a faithful servant, and good Gospel preacher. Because of his impaired health, he took a superannuated relation at Clarksburg in 1882, thus hoping for the better, but his work was done. He grew weaker under the power of that fell destroyer, consumption, and died in Wayne County, West Virginia, Dec. 13th, 1882. Thus peacefully and triumphantly passed the soul of our brother from the severe conflicts of time to his everlasting reward in heaven.

F. G. W. FORD.

J. G. WEAVER.

The Rev. J. G. Weaver was born in Maryland in 1835. He was converted in his 16th year, was a carpenter by trade, yet feeling called

to the work of the ministry, he entered the itinerancy in the Maryland Conference of the M. P. Church in 1863. In that Church he was ordained both Déacon and Elder, a Deacon in 1865, and Elder in 1866. He joined the West Virginia Conference in 1874, and did effective work, chiefly in the bounds of the Morgantown District, until 1881, when, because of poor health, he took a superannuated relation. The rest thus obtained did not help him. His health continued to decline, and in 1883 he died in the faith of the Gospel, and in holy triumph passed into immortal life, to worship with angels before the throne. His place of death was Upland, Delaware County, Pa.

F. G. W. FORD.

MRS. MINNIE A. WELCH.

Minnie A., wife of the Rev. R. S. Welch, of West Virginia Conference, died at Freemansburg, Lewis County, W. Va., January 14th, 1883. She was born June 15th, 1821; converted when twelve years of age. She was married February 29th, 1844. Her husband entered the itinerant ranks in 1855.

During all those years she was a cheerful, self-sacrificing wife, a devoted mother, a firm friend, and a much-loved pastor's help-meet. Her home was one that both young and old loved to visit. Her illness was long and severe, but she bore her sufferings with wonderful patience and resignation. Frequently, during her affliction, she would praise God for the manifestations of His grace. Her closing hours were serene. She has left behind the pleasing memory of a beautiful, Christian life, and a death of peace.

D. S. HAMMOND.

MRS. LAURA W. COPELAND.

Laura W., daughter of Rev. S. M. and Mary Donahoo, and wife of Rev. G. R. Copeland, was born in Piketon, Ohio, April 7th, 1854, and died in West Liberty, W. Va., January 27th, 1883.

At the age of nine years, Sister Copeland united with the M. E. Church, and some time after was scripturally and joyfully converted to God. She was united in marriage to Rev. G. R. Copeland at Coolville, Ohio, December 24th, 1873, by Rev. E. H. Dixon, P. E., of Marietta District, and for nine years patiently endured the trials incident to the itinerancy.

Sister Copeland was a woman of more than ordinary culture, as well as natural ability. She kept herself well informed in all our Church movements, and was ready to make sacrifices to promote her interest. She loved the Church of her choice, its doctrines, ordinance

and polity, and continued an exemplary member until called from the Church Militant to the Church Triumphant.

In her domestic relations and duties, Sister Copeland's graces appeared most beautiful. Those who knew her best testify that her home life was in sweet harmony with her Christian profession. She did not at first dazzle you with an uncommon degree of sanctity, but as you became acquainted with her, her virtues unfolded to your view like the blushing rose to the genial rays of the sun.

Death came to her unexpectedly, but found her prepared for the solemn visit. She gave directions in detail in reference to her burial, and then tenderly and half dreamily said, doubtless from the habit of teaching her two little ones their evening prayer :

“Now I lay me down to sleep,
I pray the Lord my soul to keep,
If I should die——”

Here her articulation failed, and her pure spirit passed away to be with Jesus. She leaves a husband and two little children, with numerous relatives and friends, to mourn her loss.

F. G. W. FORD.

MRS. MARIA L. PRIBBLE.

Died, at the residence of her husband, Rev. U. Pribble, in Harrisville, Ritchie County, West Virginia, on Monday, the 22d day of January, 1883, at 3:30 o'clock A. M., Mrs. Maria L. Pribble, aged 48 years, 3 months and 19 days.

Painfully sad came to us and those who loved her, the tidings, “she is dead.” Although our heart is heavily laden with sorrow, yet we cannot permit this occasion to pass without paying a slight tribute to the memory of our friend.

The deceased was the daughter of the late Col. Nathan and Ann Smith. Col. Nathan Smith, her father, came to Mason County at an early day, and took up his residence in Point Pleasant. His history is closely identified with that of Mason County, as the records thereof will attest. He was a man of high mental endowments, of a kind and genial disposition, engaging in manner and attractive in conversation ; and his daughter, the subject of this memoir, inherited many of his noble qualities. She was possessed in an eminent degree of all the noble attributes of womanhood, whether of wife, mother, sister or daughter. Strongly endowed with high intellectual qualities, with an innate and high-born sense of refinement, regard and delicacy for the

feelings and happiness of others, she shed a halo of joy and peace wherever she moved. Her refining influence, noble and great qualities of both head and heart, shed a genial light around the hearth and fireside of her home, causing the sunshine of happiness to chase the shadows of sorrow therefrom. Mrs. Pribble was a woman early imbued with piety and a reverence for religion, having connected herself with the M. E. Church at the early age of fourteen, and during her walk through life, was an humble and devout follower of Him whose cross she bore.

Her noble and consistent Christian life, in all its vicissitudes, led many of her early friends and associates to enter the fold of Christ, and become an honor to the Church. On the 25th day of March, 1862, she was united in marriage to the Rev. U. Pribble, a minister of the Church of her choice, and for several years she followed the varied fortunes of an itinerant's wife, cheerfully partaking of, and sharing with him its vicissitudes and trials. No murmur, no regret, no repining ever escaped her lips at the life she had assumed. Mr. Pribble, her husband, after a few years of an itinerant's life, was located at his request, and took up his residence in Point Pleasant, W. Va., and entered into business, which he carried on for several years, and regaining his health, which he had impaired during his itinerancy, he again entered the ministry, his wife, the subject of this sketch, cheerfully sharing his sorrows and joys, until the Angel of Death crossed the threshold of their happy home, and bid her come up higher, and enter into the Heavenly Rest. The fruits of her marriage were five children, two daughters and three sons, who, together with her bereaved husband, four sisters and one brother, Col. J. P. R. B. Smith, are left in the gloom of sadness to mourn her departure for a mansion on high, not made with hands, eternal in the heavens.

This noble, genial, warm-hearted, self-sacrificing woman has gone to her reward, regretted and mourned by all who knew her in life and loved so well.

It is sad to realize that Mrs. Pribble is dead. Sad to realize that we shall never more look into her kindly face again. Sad to know that we shall never more hear her gentle voice or cheery greeting. Sad to know that the places that knew her so well shall never know her again. Sad to know that her chair around the fireside with her loved ones there will remain forever vacant, and sad to realize that she is to-day sleeping her last sleep, in a lonely grave, far from the scenes of her childhood and those whom she loved so well.

May the sod rest lightly upon her bosom. We, who are left behind to mourn for her, know that the birds will sing, the flowers will bloom, that the rains will fall, and that the cold snows of winter will mantle her tomb,

“Yet it will nevermore
Disturb her sweet repose
Than summer evening’s latest sigh
That shuts the rose.”

Temperance.

We, the Committee on Temperance, report as follows:

WHEREAS: The use of intoxicating liquors, as a beverage, has uniformly wrought evil, and has been as uniformly condemned by all right minded men, we would again, as a Conference, enter our protest against legalizing the manufacture and traffic of intoxicating liquors, otherwise than for medicinal, mechanical, and scientific purposes. We would commend the friends of Temperance for the efforts now being put forth for the arrest of the blighting evil of intemperance, which merits the name of the Mother of Iniquities; and we pledge them our utmost support as ministers of the Word of Truth, willing to co-operate with them in any legitimate measures they may adopt for its utter extermination; therefore,

Resolved, That, as citizens of a common country, as ministers of a common Gospel, and members of the common brotherhood of man, acting in our several capacities, “with love for all and malice toward none,” we will labor to put away the evil of intemperance from our midst.

J. T. EICHELBERGER, Chairman.

G. E. HITE, Secretary.

Centennial Celebration.

The Committee appointed to take into consideration the Circular of the Bishops, recognizing the importance of properly celebrating the centennial existence of our Church, the ensuing year, in such a manner as to advance the temporal and spiritual interests of our Church, beg to report:

1st. That we earnestly recommend to our people that the year 1884 be one of special consecration to God, that we may humble ourselves as a people before Almighty God, and fervently plead for the baptism of the Holy Spirit, without which nothing good or great can be accomplished.

2d. That the erection and endowment of an institution of learning of high grade for both sexes be one of the principal objects of the thank-offerings of

our people of this Conference. The locality of said institution to be fixed by the Conference at a future session.

3d. That the providing homes and a comfortable support for our Superannuated Preachers, the widows and orphans of deceased preachers of our Conference, be another particular object of our contributions, and we would suggest that these be directed to our Conference Permanent Fund, or such other Funds of like character, as the donor may direct.

4th. That Rev. G. Martin, D. D., be appointed to preach a Centennial Sermon at our next annual session, Rev. J. L. Clarke, D. D., alternate.

5th. That the following ministers and laymen be appointed a Committee in accordance with the recommendation of our beloved Bishops, the Committee to make arrangements that each Presiding Elder's District be thoroughly canvassed during the Centennial year, and the free-will offerings of our people received and recorded, said Committee to consist of A. J. Lyda and George C. Sturgiss, J. W. Webb and H. K. List, Pastor of Oakland Station and J. N. Davis, L. L. Stuart and Dr. Logan Carr, Joseph Lee and P. M. Boggess, W. C. Snodgrass and Henry Logan, J. A. Fullerton and H. C. McWhorter, Samuel Steele and A. B. Palmer, Presiding Elder of New River District and John Beckley.

Respectfully submitted,

A. J. LYDA,
SAMUEL STEELE,
W. C. SNODGRASS,
E. H. ORWEN,
J. W. WEBB.

On the Sabbath.

WHEREAS: The Sabbath is of Divine appointment as a day of rest and worship, and its wide-spread desecration is a threatening source of evil to society; be it, therefore,

Resolved, That we will labor, by precept and example to maintain its sacred authority.

2. We regard the holding of camp meetings, with open gates, on the Sabbath day, at which fees are received for admittance, and to which excursions by boat or train are run, as a great evil.

3. We cannot endorse, by our presence, camp meetings at which such practices are allowed.

4. We earnestly request our people, who are in control of camp meetings, to use their influence against the desecration of the Sabbath, and if it be impossible to prevent the evils attending them, we recommend that they be entirely discontinued.

J. M. WARDEN,
L. H. JORDAN.

Bible Cause.

WHEREAS: The Holy Scriptures contain an authentic proclamation of the Divine will, and are a true and proper guide to men in their search after truth, and,

WHEREAS: They are the sacred repository of the precious precepts and golden promises of the Creator to fallen and sinful men; therefore,

Resolved, 1. That, as ministers of the Lord Jesus Christ, we will not only preach the whole Gospel to the best of our ability, but will make every effort in our power to increase the circulation of the Word of God at home and abroad.

Resolved, 2. That we commend the American Bible Society to the liberal patronage of our people, and that we greatly rejoice in the increased circulation of the Divine Word through its instrumentality.

Resolved, 3. That we will render all the assistance in our power to the Rev. W. R. Lang, or any other agent of this Society, who may come in our midst.

T. H. TRAINER, Chairman.

C. J. PRICE, Secretary.

Periodicals and Book Accounts.

The Committee appointed to consider these interests are pleased to learn from the Reports of the Book Concerns, and of the agent for the *Pittsburgh Christian Advocate*, that they are in a flourishing condition. These Reports furnish the following general exhibit of sales:

New York and its Depositories,.....	\$881,078 99
Increase,	28,359 03
Western sales,.....	743,750 17
Net Increase,.....	29,730 15
Total Increase,.....	58,089 18

The circulation of the Periodicals of the Church, though large, should be greatly increased, and this suggests the duty of the preachers as to introducing our periodical literature in the homes of our people.

The *Pittsburgh Christian Advocate*, which is more especially an organ of our Conference, has a circulation of 9,385, being an increase over last year of 375. We are gratified to see this reported increase of its circulation, but are firmly convinced that it should have a much larger increase. We consider it one of our most ably edited and valuable weekly papers, and that the most effectual way in which we can recognize the earnest and able efforts of its editor to make it meet the utmost reasonable requirements of the Church, is to multiply its circulation in our Conference. And, further, we cannot recommend too highly the use of our own Sunday School publications in our schools.

Respectfully submitted.

A. J. LYDA, Chairman.

W. W. KELLY, Secretary.

Parsonages.

We, your Committee on Parsonages and Furniture, beg leave to submit the following report, that

WHEREAS: The Discipline of the Church directs that, wherever practicable, a suitable house, on each Charge, shall be procured for the preacher, and that said house shall be furnished with at least heavy furniture; and,

WHEREAS: Many of the Charges of the Conference have failed to furnish a house for their ministers; and,

WHEREAS: A large number of Charges that have parsonages have failed, as yet, to furnish them with furniture; and,

WHEREAS: The expense and inconvenience of moving is greatly increased by having to move furniture; therefore, be it

Resolved, 1. That ministers of Charges having no parsonage, make a persistent effort, the coming year, to procure a suitable house for a parsonage on each Charge.

2. That ministers of Charges having parsonages, but have not furnished them with furniture, make a strong effort to furnish them with suitable and necessary furniture, and,

3. That the Presiding Elders bring the importance of procuring, and furnishing, parsonages, before all the Quarterly Conferences.

Respectfully submitted,

W. J. SHARPES,
J. W. LAMBERT.

Sunday Schools.

We, your Committee on Sunday Schools, submit the following report:

WHEREAS: The Sunday School is one of the most efficient agencies by which the truths of the Gospel and religious instruction is imparted to our children; therefore,

Resolved, 1. That, as members of this Conference, we will give the Sunday School our faithful attention.

Resolved, 2. That we will organize our Sunday Schools according to the Discipline, and thus bring them under the control of the Church, and that we will encourage the use of our own literature.

C. J. TRIPPETT.
W. J. SHARPES.

District Conference Journals.

We, your Committee to whom was referred the District Conference Journals, make the following report:

Having examined the Records of the following District Conferences, viz.: Morgantown, Buckhannon, and Oakland, we find them neatly and correctly kept.

J. M. WARDEN,
J. B. FEATHER.

On Tracts.

We, the Committee on the Tract Cause, beg leave to report as follows:

Your Committee are convinced that, while tract distribution is much neglected, it has lost none of its power for good, or adaptability to aid the pastor. No pastor, who is determined to succeed, can afford to ignore this agency. It deserves a more thorough trial at the hands of the pastor of *to-day*, before it is cast aside as useless.

Resolved, Therefore, that each pastor of this Conference give the subject more earnest attention, and that each one note and report, as far as possible, the good results accomplished.

A. STEVENS, President.

A. T. MORRISTON, Secretary.

P. S. Accounts.

We, the Committee appointed to audit the accounts of the Presiding Elders, after due examination, find that the amounts apportioned to the several Charges and Districts have been properly disbursed.

J. CONWELL,
A. S. LOVEALL,
G. ROGERS,
D. M. HEASTON.

Pittsburgh Advocate.

The Committee appointed to consider the propriety of enlarging the *Pittsburgh Advocate*, submit the following resolution:

Resolved, That it is the opinion of the Conference that the Publishing Committee should enlarge the paper as soon as it can be done with financial safety.

Signed,

T. B. HUGHES,
E. W. RYAN,
E. H. ORWEN,
W. C. SNODGRASS.

J. B. Tope.

The Committee appointed to investigate the case of Brother Tope, report:

That while he was not altogether justified in leaving his Charge, yet, under all the circumstances, recommend the passage of his character.

SAMUEL STEELE,
G. MARTIN,
J. M. WARDEN.

R. A. Arthur.

The Committee appointed in the case of Brother R. A. Arthur, beg to report, that from the data laid before them, request that Rev. J. L. Clark be appointed a committee to lay the facts of the case before the Cincinnati Conference, of which Brother Arthur is a member, and to inform Brother Arthur of this action.

L. H. JORDAN,
SAMUEL STEELE,
J. L. CLARK.

Pumphrey Fund.

The Committee on the Pumphrey Fund beg leave to report that they have collected \$64.50, amount of interest on said Fund, and have paid the same to the Board of Stewards, as directed.

G. MARTIN.

The Committee on Order of Business reported as the order the following, which was adopted :

1. Report of Committee on Permanent Organization.
2. Report of Committee on Order of Business.
3. Report of Committee on Resolutions.
4. Election of two Delegates to General Conference.
5. Fraternal greeting with the Ministerial Conference.

REPORT OF COMMITTEE ON RESOLUTIONS.

WHEREAS: It is probable that the General Conference of the Methodist Episcopal Church, to be held in the year 1884, will be asked to so modify the Discipline of the Church as to extend beyond the term of three years the time any preacher may remain in the same station or circuit, or perhaps to remove the "time limit" altogether ; therefore,

Resolved, By the Electoral Conference of Laymen of the West Virginia Annual Conference :

1. That, in our opinion, any such change would be detrimental to the interests of the Church, and the spiritual well-being of its members ; that we have undiminished confidence in the efficiency of the itinerant system and methods of the Church, as they now exist, and desire to see them perpetuated.

2. That our Delegates to the General Conference, to be held in May, 1884, are hereby instructed to vote and exert their influence against any proposition that may be made in said Conference to change the "time limit" as fixed by Paragraph 100, Section 3, of the Discipline.

After a lengthy discussion, Geo. W. Atkinson, having left the chair, offered the following as a substitute for the report of the Committee on Resolutions :

Resolved, That it is the sense of this Lay Electoral Conference that it is unwise to instruct its Delegates upon any question of the ministerial term of service ; that they be left free to vote as circumstances require, in order to represent the best interests of the Church.

In support of his substitute, Mr. Atkinson read a written speech of some length, in answer to which Wade, Hubbard, Stone, Wilson, and several other Delegates made oral replies. After some time the previous question was called, and the question of adopting the substitute was lost by a large vote, and the original report of the Committee was adopted by a vote of 72 to 2.

Dr. Alfred Wheeler, editor of the *Pittsburgh Christian Advocate*, was introduced by the Chairman, who, after some remarks on other subjects, complimented the Conference on the good spirit manifested in the debate on the report of the Committee on Resolutions.

On motion of George W. Atkinson, the following resolution was adopted :

Resolved, That this Electoral Conference of Laymen takes pleasure in certifying to the good character of Rev. J. F. Snodgrass, a member of the West Virginia Conference, and commend him to the favorable consideration of Methodists everywhere.

The Committee on Resolutions offered the following additional resolution, which was unanimously adopted :

WHEREAS : Some of the ministers of our Annual Conference, during the past year, suffered on account of the very small amount paid them by their congregations ; therefore,

Resolved, That we urge upon the membership of the Church the propriety and necessity of making better provision for the support of our preachers

The Chair here announced that the next business before the Electoral Conference was the election of two Lay Delegates to the General Conference, to be held in May, 1884 ; and two alternates, and it being

determined to elect the Delegates first, the following persons were put in nomination for such Delegates:

James A. Bryan put in nomination Charles F. Scott, of Parkersburg.
 J. A. Woodyard, put in nomination Alex. L. Wade, of Morgantown.
 Benjamin Slack put in nomination John W. Cracraft, of Charleston.
 E. J. Stone put in nomination James W. McGrew, of Kingwood.
 A. H. Bowman put in nomination Frank Woods, of Grafton.
 Dr. L. R. Charter put in nomination Thomas H. Logan, of Wheeling.
 G. W. Adams put in nomination Henry K. List, of Wheeling.

The names of Thomas H. Logan and Henry K. List being withdrawn, the Conference proceeded to ballot, with the following result:

Alexander L. Wade received.....	59 votes.
Charles F. Scott "	48 "
John W. Cracraft "	6 "
Frank Woods "	24 "
James C. McGrew "	18 "
E. J. Stone "	1 "
Thomas H. Logan "	1 "
Waitman T. Lilly "	1 "
Geo. W. Atkinson "	1 "

Alex. L. Wade and Charles F. Scott having each received more than a majority of all the votes cast, were declared elected as Lay Delegates to the General Conference, to be held in Philadelphia, in May, 1884.

The election of Alternates being next in order, it was determined by vote, that the person receiving the highest number of votes should be the Alternate of that one of the Lay Delegates who had received the highest number of votes. The Electoral Conference then proceeded to ballot for Alternates, with the following result:

James C. McGrew received.....	71 votes.
Frank Woods "	60 "
John W. Cracraft "	6 "
C. D. Hubbard "	10 "
George Gross "	2 "
Hiram Lewis "	2 "
T. W. Taggart "	1 "
E. J. Stone "	1 "
Geo. W. Atkinson "	1 "

James C. McGrew, having received the greatest number of votes, was declared elected as the Alternate of Alexander L. Wade, and Frank Woods was declared elected as Alternate of Chas. F. Scott.

On motion of G. B. B. Zumbro, a Committee on Temperance, consisting of three persons, was chosen, and requested to report to-morrow morning. The Chair appointed G. B. B. Zumbro, Joseph Teter, and Alex. L. Wade, as such Committee.

On motion, the Conference appointed its Chairman, George W.

Atkinson, to present its fraternal greetings to the Ministerial Conference at 8:30 o'clock to-morrow morning, to which hour this Electoral Conference adjourned.

Second Day.

Pursuant to its adjournment of yesterday, the Electoral Conference convened at 8:30 o'clock A. M., and after having prayer meeting for half an hour, proceeded to business.

The Committee on Temperance reported the following resolutions, which were adopted:

Resolved, That we are in hearty sympathy with the movement to secure prohibition in West Virginia, that we will do all we can to educate public sentiment upon this subject, and we will support for office only such suitable persons as are in favor of submitting prohibition to the people.

Resolved, That we give the *West Virginia Freeman* our hearty support, and use our influence to increase its circulation.

On motion of George W. Atkinson, the following resolutions were adopted:

Resolved, That we recognize the special value of the newspapers and periodicals of our Church as a means of information and culture, which our people cannot afford to neglect.

Resolved, That we will do more than we have heretofore done to increase the circulation of these publications, so that our people may be more fully informed of the polity and progress of the Church, and thereby made more zealous in its support.

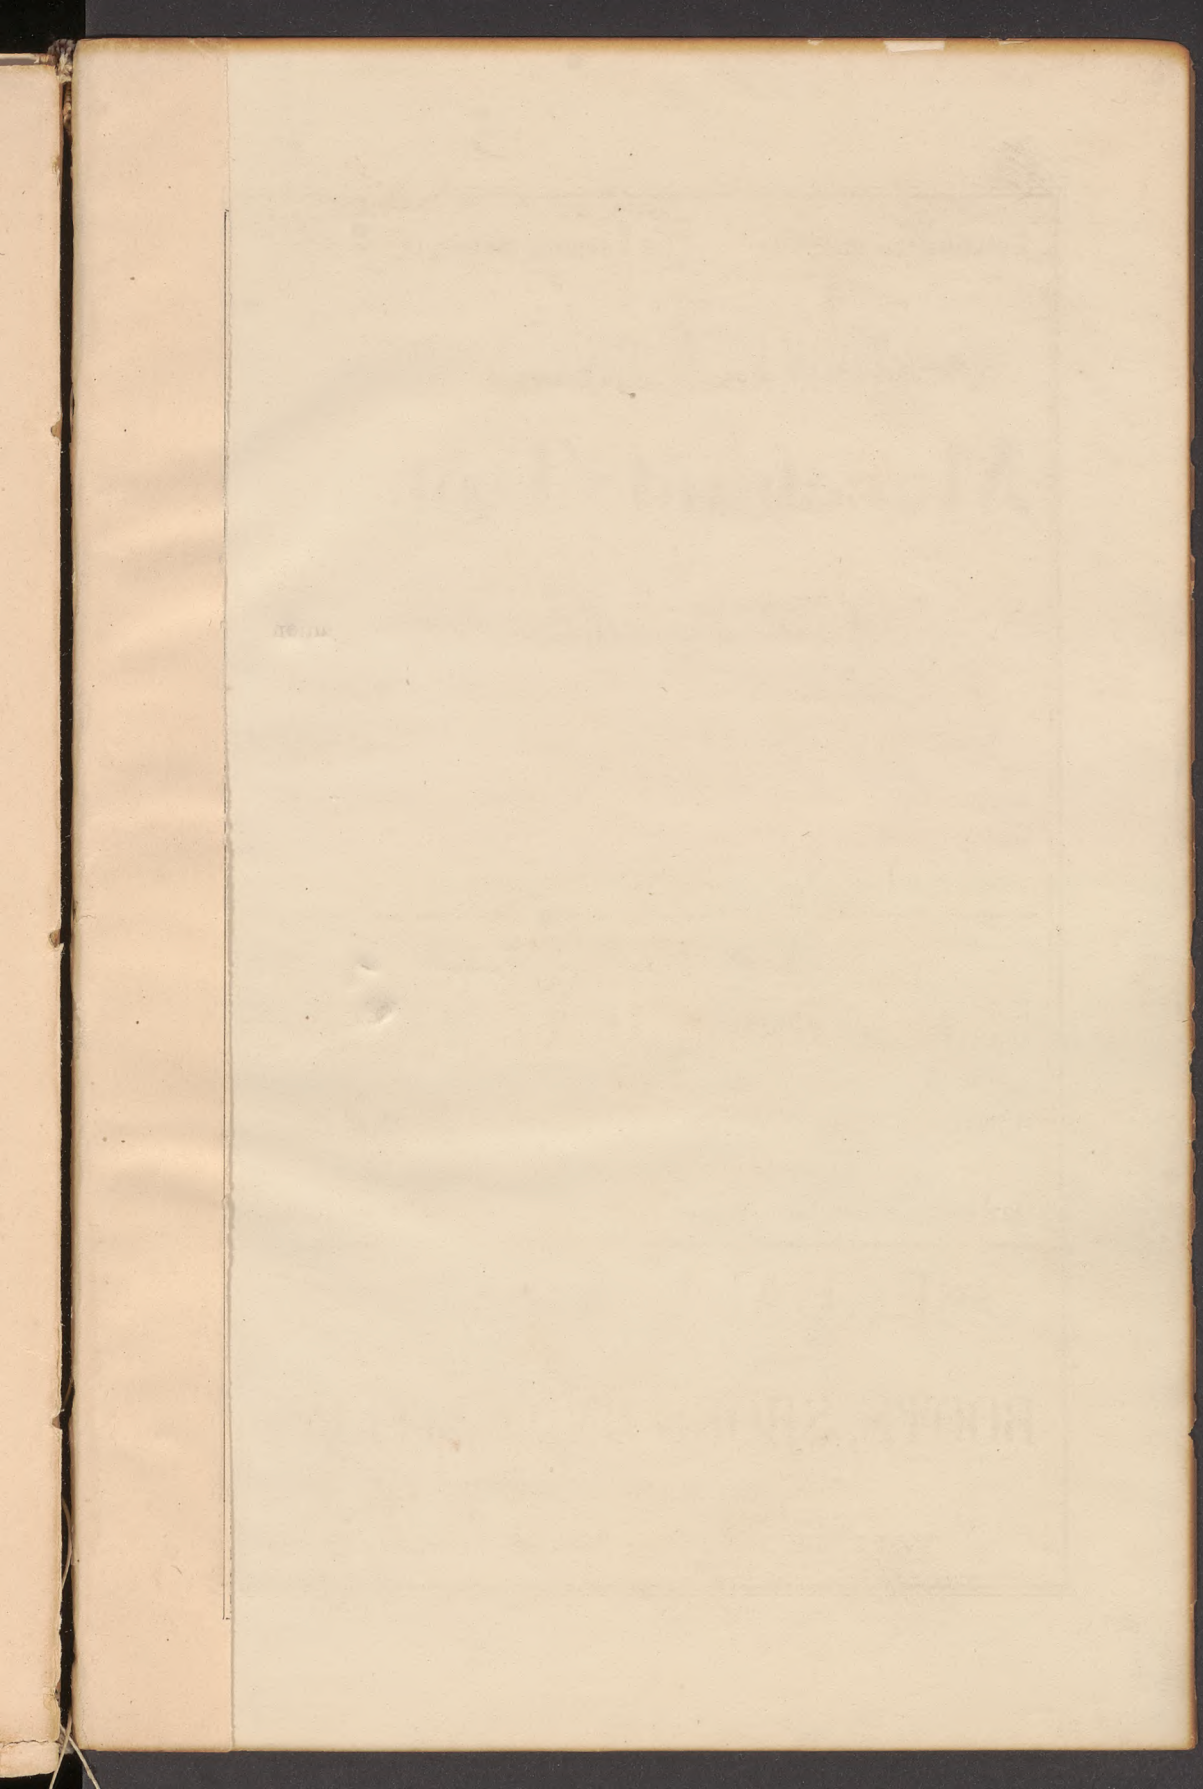

Dr. Hartshorn, of Mount Union College, was introduced, and addressed the Conference for some minutes in the interest of his school.

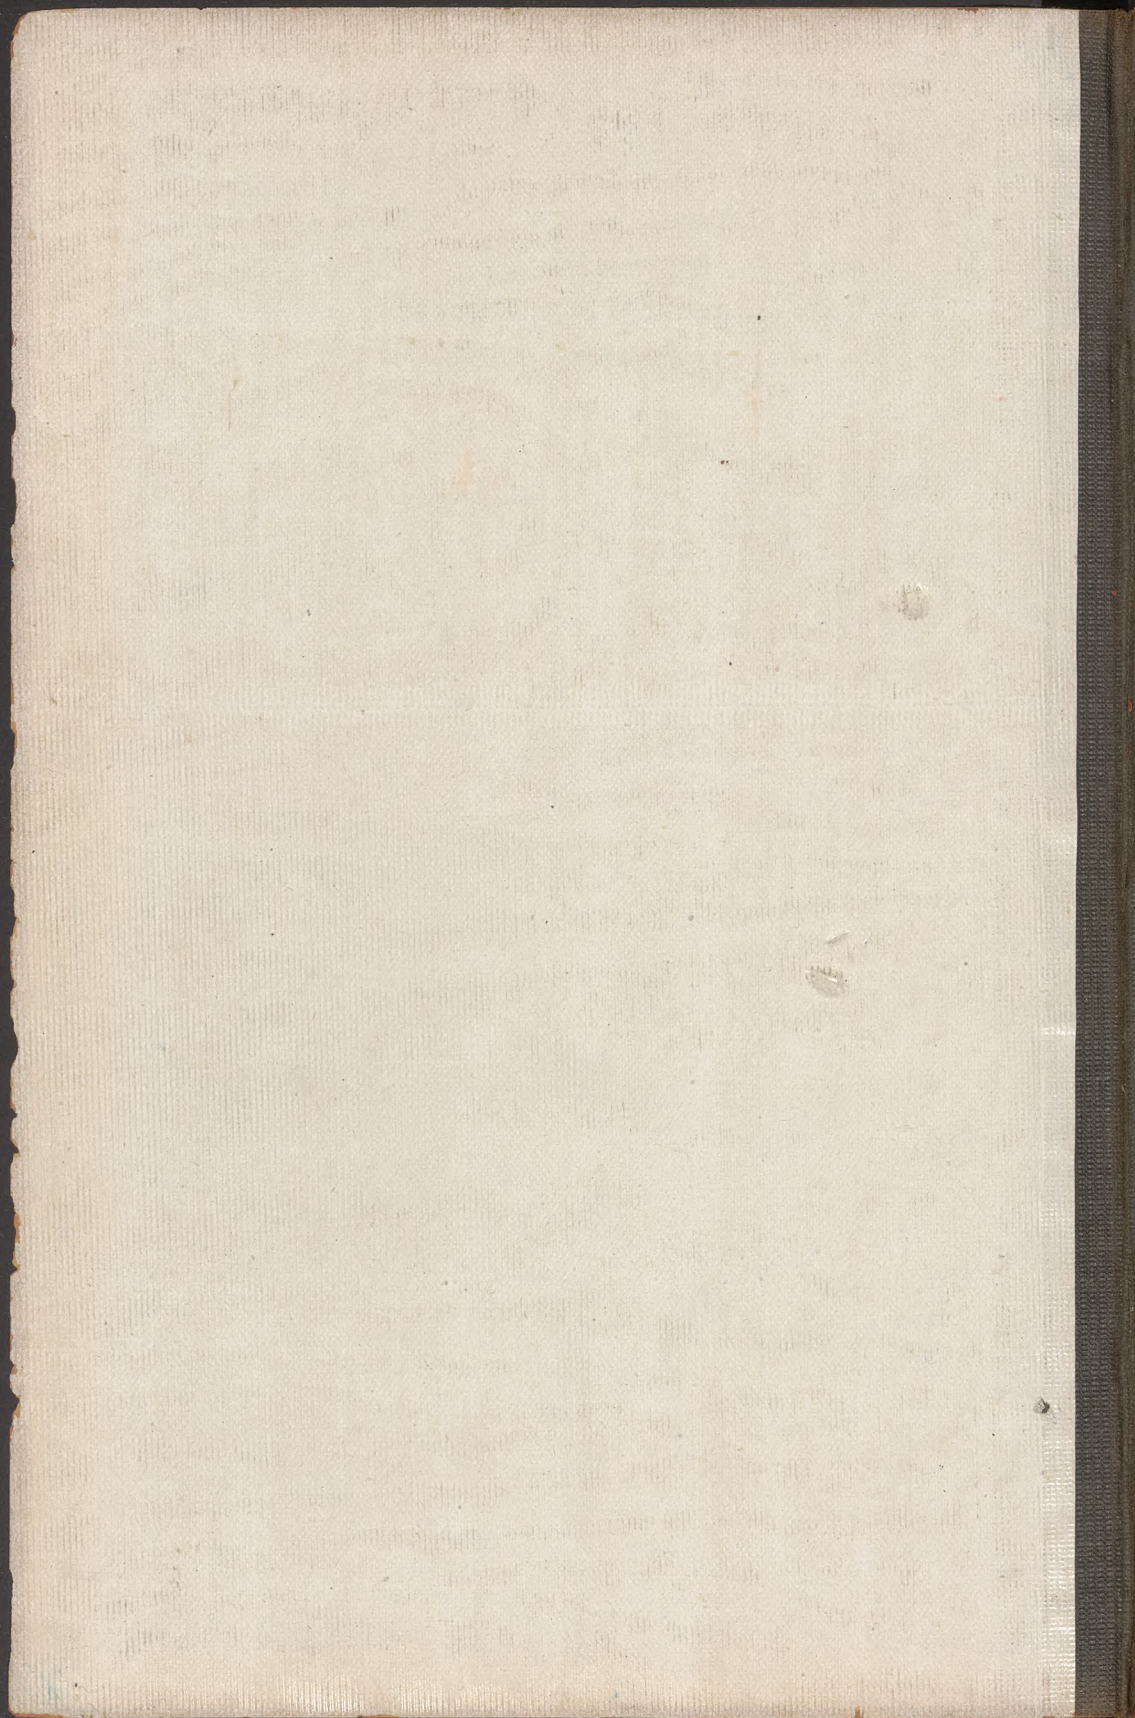

The following fraternal delegates from the Annual Conference, now in session in this city, were introduced by the Chairman: Revs. Gideon Martin, D. D., Samuel Steele, D. D., J. Wesley Webb, D. D., J. R. White, D. H. K. Dix.

In response to the invitation of such fraternal delegates, the Electoral Conference proceeded in a body to the Annual Conference, then in session, in whose behalf the Electoral Conference was greeted by Rev. Samuel Steele, D. D., who was responded to by George W. Atkinson, on behalf of the Electoral Conference. After being addressed by Bishop Harris, the Electoral Conference withdrew in a body, and having proceeded to their room, adjourned.
